

Guidelines and changes for Joint Coin Show due to Covid-19 restrictions and requirements

- Good news we have found a location to have a Joint Show in January.
- The new location is at the Loveland Outlet Mall 5720 McWhittney Blvd. Loveland CO
- Some of you may have attended gun shows here in the past.
- The venue is a different size and shape so locations will change from what you historically were able to request at the BCFG
 - We will do our best to get a similar set up but we may not be able to accommodate all your requests
- Because this site is larger, we also can add tables. If you currently don't have a table or would like to add a table, please contact me.
 - If I currently have a contract on file there is no need to fill out a second one. If you would now like to participate in this show please fill out an application and contract. If you wish to add tables a simple email will work. If you received a refund and would like to be part of the show, please fill out a new contact.
- There will be a maximum of 75 table available Only 8 foot table will be offered and the rental fee is \$125.00.
- We will not be providing food to the dealers and staff
- Masks are mandatory for all dealers, staff and guests per Larimer County requirements. Anyone not wearing a mask will be asked to leave the building.
- Social distancing will be required and traffic will follow a one-way pattern laid out on the floor.
- The number of people in the building at one time will be limited to 150 including dealers, security, FRCC staff, and guest per Larimer County guidelines. This will be tracked at the front and once we reach capacity no one else will be allowed to enter until some leaves the building.
 - In order to maximize the number of buyers we can get into the show at one time, we are limiting dealer staff to two people per dealer/company that can be in the building (working tables) at any one time.
- Hand sanitizer will be available at the sign in table. Dealers are also encouraged to provide hand sanitized at their tables for those customers touching your coins.
- The hours of the show have been adjusted slightly on Sunday. New hours 9:00 AM to 2:30 PM.
- The same level of security will be provided for this show as we always provide.
- Guideline are subject to change based upon Covid-19 related events
