Second Thursday of the month

September 2020

Attendance: 11 members, 1 guest

Meeting Minutes

Ken D. announced that web developer to create a new website for the club had been identified. They quoted a very low price for developing the website, in the range of \$500 - \$1,000. This is substantially lower than would be typical for this type of service. A vote was taken among the members in attendance, who approved going forward with the web page development, pending a review and approval from the club Board of Directors.

Ken then covered the upcoming coin show, on Saturday September 19th & 20th. The coin show was moved to a different location, since the Boulder County Fairgrounds were still closed. The coin show location was at the Loveland Factory Outlets at the intersection of Interstate 25 and US Highway 34. Ken asked for volunteers to help with set-up on Friday, reception for Saturday and Sunday, and tear-down on Sunday afternoon. Sign-up sheets were circulated at both the August and September club meetings, but there were still vacancies. It was requested that an email be sent to the membership to contact Ken to sign up for any open volunteer slots.

Ken mentioned that a total of 56 dealer tables had been reserved, so the coin show venue was expected to be fairly full. The maximum occupancy allowed, due to the state Covid guidelines, was 150 at any one time. This was not expected to be an issue based on previous coin show attendance.
